

CASA DEL FARO

VILLA FEATURES

Welcome to perfection.

A secluded retreat positioned in the heart of Punta Mita's playground.

Casa del Faro shines as one of the largest Villas in Punta Mita. The home sits on the edge of paradise overlooking the extensive Bay of Banderas. In the distance, the Sierra Madres Mountains rise and provide the perfect backdrop for memorable sunsets, whale watching and surfing one of Punta Mita's famous surf breaks: El Faro.

Located within the exclusive gated community of La Punta Estates, Casa del Faro has access to all that the resort of Punta Mita has to offer: private beach clubs, world-renowned golf, a premier tennis center and more.

The sizable villa is designed for intimate affairs as well as larger gatherings and celebrations. The ten-bedroom residence offers a compound in seclusion and comfort. Guests are cordially welcomed and escorted through a stunning entrance housing an inverted storm palapa...an artistic highlight unique to Punta Mita's estate collection. The villa's design continues in a similar aesthetic blending contemporary interiors with worldly curios and cultural features.

Allow the chef and kitchen staff to service the finest international delicacies. Sample the local fresh catch of the day from the neighboring fish market. Cocktails are garnished with beautifully dried regional fruits.

Come visit Casa del Faro for ultimate tranquility and coastline adventure; return for the memorable service and delectable fare.
